Plustek MobileOffice D430

Most efficiency way to handle front desk/service desk documents!

Plustek MobileOffice D430, a portable duplex scanner with hyper fast scanning speed, has perfect design for front desk usage. *Plustek MobileOffice D430* offers a unique and compact paper output design with both horizontal and vertical output. This compact design makes it easy to place the scanner in a narrow or corner spot. Make the scanning process more friendly and enjoyable!

MobileOffice D430 has included software document management and Optical Character Recognition software suite allows you to easily scan and manage your documents. DocAction single touch scanning and industry standard TWAIN drivers ensure compatibility with thousands of scanning and imaging programs including: document management, healthcare ERM, financial, and thousands of other image enabled applications. These features make the *MobileOffice D430* a powerful document management solution to meet any requirement.

Through a simple setting, you can make the function buttons to execute the function you wish. Possible functions by various setting include OCR/BCR, resolution, etc. After finishing your favorite setting, to scan in Simplex/Duplex only needs to press the One-Touch Button. *Plustek MobileOffice D430* can easily accomplish your task within 2.2 seconds.

Besides any A4 or legal size documents, *Plustek MobileOffice D430* can also scan 1.2mm thickness plastic card. Plastic cards include embossed cards, credit cards, driver license cards, ID cards, medic-care cards or any membership cards.
Plustek MobileOffice D430 has a user self-maintenance design. Simply lift up the upper part of the scanner for clean-up. The easy maintenance can ensure the scanning quality and stability and extend the product life cycle.

Searchable PDF File Format

What is Searchable PDF

Searchable PDF indicates that the scanned document (result in PDF format) has been processed via optical character recognition (OCR) and you can search the entire file for occurrences of a word or phrase.

Benefit of Searchable PDF

- By using own desktop searching engine can instantly search documents for keywords or phrases.
- Searchable PDF provides more security, reliable and easy transit/exchange of the documents.
- It could preserve the look and integrity of the original documents, including the fonts, graphics, images and the layout Easy can be viewed, printed or share documents with anyone, within any operating system and application.
