PRECISIONCORE
HEAT·FREE

The future of printing

From a world leader in imaging technology, Epson® inkjet printers enable today's businesses to enter a modern era of printing. Featuring revolutionary PrecisionCore Heat-Free Technology™, these innovative printers are designed to enhance productivity and offer a low total cost of ownership with distinct environmental benefits. There's no need to heat up toner, so you get fast speeds and a fast first page out. A remarkably simple design means very few maintenance parts for minimal intervention and help in maximizing productivity. Engineered for speed, reliability and the ability to work seamlessly within existing systems, Epson printers bring the future of business printing to today's professionals.

	Users per device	Speed	Estimated monthly print volume
WorkForce®/WorkForce Pro With single and multifunction solutions available, our line of printers is specifically designed to serve the needs of managed workgroups and high-volume office printing environments.	1–10	Up to 25 ISO ppm† (black/color)	50–4,000
Supertank Models available with IT tools and printing up to 13" x 19", these compact printers feature revolutionary ink replacement technology. Offering remarkable value and convenience, they include super-high-capacity, easy-to-replace bottles or packs. These Supertank printers come with a ridiculous amount of ink. Two years of ink guaranteed or your additional ink is on Epson[1].	1–5	Up to 25 ISO ppm† (black/color)	400–2,500

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed

1 Promo valid for ST-C2100, ST-C4100, ST-M1000, ST-M3000, ST-C8000, ST-C8090, WF-C5790 Supertank (C11CG02201-LB) and WF-M5799 Supertank (C11CG04201-LB) printers through authorized Epson resellers only from 10/01/19 to 03/31/23. Product must be registered before 04/30/23. Limit 8 additional bottles of 502 inks, 542 inks or 902 packs per printer. Max. 8 claims per printer. Each claim cannot contain multiple bottles of the same color. Limit 2 additional bottles of 532 inks or M02XL120 packs per printer. Limit one bottle per claim. Based on average monthly document print volumes of about 150 pages (ST-C2100), 200 pages (ST-C4100), 300 pages (ST-M1000/ST-M3000/ST-C8000/ST-C8090), 500 pages (WF-C5790 Supertank) and 750 pages (WF-M5799 Supertank). Promo applies to ink only. Printer covered by Epson 2-year limited warranty. For promo participation, you must register your product.

Shaping the future of business printing with Heat-Free Technology

Revolutionizing the world of business printing, Epson business printers feature innovative PrecisionCore Heat-Free Technology. Engineered to maximize uptime, while producing vibrant prints and reducing waste, this next-generation technology takes business printing to the next level.

The Epson inkjet advantage

PRECISIONCORE HEAT-FREE TECHNOLOGY

Reduce power consumption
- Helps reduce power consumption by eliminating heat from the ink ejection process
- No warmup time required to start printing

Reduce waste
- Designed with few maintenance parts, which can result in less waste
- High-yield consumables

HIGH-QUALITY BUSINESS PRINTING

Sharp image quality
- Vivid graphics and sharp, professional-quality documents with DURABrite® Ink
- PrecisionCore Heat-Free Technology produces up to 40 million precise dots per second
- Astonishing ink placement accuracy

Color consistency
- Built to deliver remarkable color consistency, even for high-volume print jobs
- A cost-effective color printing solution with high-yield consumables

HIGH-PRODUCTIVITY PRINTING

Maximize uptime
- Get your documents in hand quickly
- Fast first set out times and powerful print speeds, even in Duplex Mode
- High-yield consumables help to maximize uptime with few interventions

Low cost of ownership
- Low power consumption and high-yield replaceable ink systems
- High-productivity features help increase uptime and optimize printing, for added savings

Epson Solutions Suite—Streamlined configuration and management for your printer fleet

Epson Business Inkjets offer a full suite of advanced printing solutions designed to help businesses easily manage the installation, configuration and operation of their print environment. With workflow administration, fleet management, remote services and third-party integration, Epson Solutions Suite has you covered.

Epson Device Admin
A powerful device management solution, Epson Device Admin was designed to simplify the installation, configuration and management of networked Epson printers with alert notifications and usage reporting.

Epson Print Admin
A cost-effective administration tool, Epson Print Admin helps customers increase document output security, manage print costs and improve productivity with its user-friendly software integration. Also available on select models as an embedded solution with **Epson Print Admin Serverless**.

Epson Remote Services
A cloud-based printer fleet management tool, Epson Remote Services was built to help partners remotely diagnose customer service needs, perform remote operations, generate alerts and more — all from the convenience of the cloud.

Epson Open Platform
A third-party integration solution, Epson Open Platform allows users to gain control of their printing operations by interacting with embedded software from a variety of third-party Independent Software Vendor (ISV) solutions.

Compatibility varies by model.

Epson Business Inkjet Security Features

Printer security is essential to an organization's information security strategy. That's why Epson builds security features into all its business inkjet products. Whether you're concerned with user, network or data security, Epson Business Inkjet technology is designed to meet your business requirements.

Protection Against External Threats
Epson solutions can help block unapproved computer connections and disable external interfaces.

Document Security
Secure confidential documents, utilize anti-copy patterns, add watermarks and encrypt PDFs with select Epson printers.
