

Scan documents, contracts, receipts, invoices, photos and more with a touch of a button...

Standalone Network Scanning Solution, no PC Needed

The Plustek eScan A150 is a revolutionary standalone scanning solution. No computer needed to scan documents, so no setup or training needed and no drivers to install. Easy to use 7" touch screen interface makes scanning a breeze. Just load paper in the feeder, select your scan options, then press the large Scan button, inspect you scanned image and pick from 6 options to save, or send your document.

- ❖ Standalone Network Scanning
- ❖ No Computer Required
- ❖ Scan - View - Save
- ❖ No Setup Required
- ❖ Scan to USB Thumb Drive, Email, PC, Cloud, Mobile, FTP
- ❖ WiFi & Ethernet Capabilities
- ❖ Save to PDF, JPEG, TIFF

Uncomplicated scanning...

The Plustek eScan A150 is ready to use when you are, no computer boot-up needed, just turn on the eScan scanner and you're ready to scan. Perfect for small office, integral departments and home users.

Complete scanning in 3 simple steps

Operation is self guided with no user training necessary. Simply select your scan settings on the main screen, and then touch the SCAN button. After the scan is complete, you can review and adjust your scanned image, and select your destination from the easy to understand screen.

Select scan settings and press SCAN

See scan result and edit if needed

Choose destination

Scan to multiple destinations

The Plustek eScan A150 can be used anywhere a WiFi network or Ethernet cable is available. You can send your documents, contracts, receipts, invoices, bills or photos to more than one preferred destinations. For example, you could send your scan to a customer via email and also save to a copy on your computer. Affordable, easy to use, and space saving, the eScan A150 is the scanner for you.
