

MobileOffice S601

plustek

MobileOffice Series

Ideal scanner for scanning receipt, photos, plastic cards and ID cards!

The Plustek MobileOffice S601 is a small, commercial duty, USB powered ID and card scanner. It scans drivers' licenses, insurance cards, social security cards, membership cards as well as embossed cards such as credit and healthcare benefit account cards. Any card, receipt or document as small as 1.3" x 1.7" is easily scanned.

The MobileOffice S601 also offers high-resolution scanning of 4" x 6" color photos. The built in software and image processing enables scanning and PDF creation at the touch of a button. TWAIN and WIA drivers ensure compatibility with thousands of healthcare and ID card reading systems.
