25 Page Per Minute Document Scanner Creates Searchable PDFs And Scans Rigid Cards

Product Overview

The Plustek SmartOffice PS288 workgroup class document scanner is designed with the image quality, paper handling and reliability required by the most demanding business users but at a price point attractive to home and SOHO users. The small size and footprint of the SmartOffice PS288 make it appropriate for office, front desk or portable scanning tasks.

The 50 page Automatic Document feeder and 1500 page per day duty cycle tell you this scanner is built to scan documents in any application requiring frequent document and rigid card scanning. The SmartOffice PS288 is designed to scan business documents up to 17" long and rigid cards, such as ID cards and drivers licenses, up to 1.2mm thick, without operator adjustments. A3 sized documents can also be scanned using the A3 scan mode and included A3 protection jacket. Mixed batches of documents can be scanned without sorting thanks to the class leading paper handling and image processing.

Single Touch buttons automate up to 9 different scanning jobs including: scan to searchable PDF, save to folder on your network or your computer, scan to email, scan to an application, scan to printer.

Built in image processing insures the highest image quality, reduces rescans, and increases OCR accuracy.

Features ABBYY FineReader Sprint, to easily create and manage searchable PDFs at the touch of a button. Industry standard TWAIN drivers combined with TIF, JPG, PDF and Microsoft Office file formats ensure compatibility with thousands of scanning and imaging programs.

Differences from PS286 Plus: Reseller only product. No carrying case, no software bundle, scans documents up to 17" long.

Key Features

- Duplex Scanning in Color, Grayscale or B/W
- Scans Rigid Cards including insurance cards, ID cards, drivers licenses etc
- Scans to searchable PDF
- 50 sheet Automatic Document Feeder
- 25ppm (50 images/min) Scan Speed
- 1500 page per day duty cycle
