## Xerox Executive & Executive Plus Warranty Programs

The Xerox Scanner, support teams are made up of U.S.-based in-house trained professionals using industry best practices, ready to support you at the highest level to ensure quick resolution to technical issues.

Each product is shipped with a **Classic Service** warranty containing toll-free technical phone support, access to our extensive online knowledge-base, and a return-and-replace service in the event a RMA (return material authorization) is needed.

**Executive Service** warranty clients receive priority phone response and problem escalation for an unlimited number of incidents. Should our technical support team determine a replacement is necessary, an advance replacement unit will be shipped overnight.

**Executive Plus Service** clients receive all the benefits of Executive Service as well as dispatch of a technician on-site to swap-out hardware within four hours from the time replacement equipment is received at the service location.
