#### CHALLENGE:

۲

MPG Carriers is located in Columbus, Nebraska; 90 miles away from their parent company's bank in Omaha, Nebraska. They wanted to retain a single banking relationship with American National Bank, however there wasn't a branch located in Columbus. MPG Carriers also wanted to maintain consistent cash flow while eliminating the lost productivity involved in making daily trips to the bank. "Getting deposits to the bank on a daily basis is very critical to our operations," says Sheila Lewis, Accounting Manager, MPG Carriers.

### "It's that easy to use."

#### **SOLUTION:**

MPG Carriers is utilizing the Panini My Vision X Single Document (SD) check scanner to make daily electronic check deposits to their account. American National Bank partnered with Panini and Summit Innovations to provide MPG Carriers with a remote deposit capture solution that allowed quick and effortless integration with ease of use. MPG Carriers was making remote deposits to the bank within three days of their request for a solution and within minutes of installing the software.

#### **RESULT:**

"The Panini My Vision X helps us keep cash flows consistent," said Lewis.

The benefits for MPG Carriers include the ability to retain one banking relationship, with reduction of bank fees and administrative expenses. Additionally, they are saving time and labor costs by eliminating the need to drive to the bank to make their deposits. "With the Panini My Vision X, we can make our daily deposit in 5-10 minutes," adds Lewis.

"The Panini My Vision X has eliminated the need for us to travel to the bank," notes Sheila Lewis. "If we had to do this again, I wouldn't do anything different...it has run smoothly from day one...it's that easy to use."
